

## Michael Allen Hunt

August 16, 1957 - July 11, 2020

Michael A Hunt, 62, of Marion, KY passed away July 11, 2020 at Vanderbilt University Medical Center. He was a member of Walnut Grove Baptist Church and Marion Masonic Lodge Number 256.

As you may know dad is starting to build us our next home. We weren't expecting him to start it this early, but we can't wait to see what he prepares for us. We can only imagine the welcome he got as he stood before God and He said follow me you good and faithful servant. I know he's going to watch over us and guide us along the way. Dad showed me and Jamie everything we needed to know and even though it's not fair and we wanted him 40 more years, we got years of knowing we were loved. Dad is no longer hurting and we feel the unquestionable love he has had for us. He taught us things to remember him by, but we see him in everything we do. As we moved the cutters today we realized there's nothing he hasn't touched. Jamie and I are the sons of a great man that touched many lives. We keep hearing that song "Thank You For Giving To The Lord." We can see people lined up to thank him and we take comfort in that.

Mike is survived by his wife Rhonda; son, James (Kayla) Hunt; grandchildren, Ethen and Anthony Hunt; son, David Hunt; brother, Van (Nina) Hunt and several nieces and nephews. He was preceded in death by his parents, Marvin and Gus Hunt. Graveside services will be held Wednesday, July 15, 2020 at Rowland Cemetery followed by a celebration of life at the family farm.

Donations may be made Fredonia Valley Bank to be used at a later date for a charity of the families' choosing.

“ I am so thankful I had the opportunity to get to know Mike and Rhonda through work at the post office. They were a perfect couple in my eyes because they were a team and very much in love. Mike was the kind of guy I always enjoyed to be around because he always put a smile on my face. He was friendly, entertaining and a great story teller.  
Mike was fun because he was a jokester, he always teased me and I teased him right back. We always compared our suntans and he usually won. LOL  
Mike had a big heart and would always help any of us at the post office anytime we needed it.  
I will miss him.

“ I've know Mike my whole life! He was a childhood playmate since our parents visited back and forth. Mike was always fun and kind. We went to high school together and I enjoyed watching him play football and just be a free spirit. Mike will be greatly missed by friends and family. I wish peace to Mike's family.

“ I played football with Mike back when there were fee water breaks, never too hot to practice and some hard hitting. Like most all, still to this day have injury problems. That said, I know we would do it again. May God give the family comfort.

“ What has been written above is a witness a legacy of a man who lived his faith in God/Jesus and allowed God's love to flow through him to others. Thank you Lord for allowing me to know Mike Hunt.
